

EPPING TOWN COUNCIL

ENGAGING WITH THE WHOLE COMMUNITY

Epping Town Council are committed to engaging with our whole community.

We use the following methods of engagement to reach all our residents:

- Talk About Epping Town Magazine
- Epping Town Council website
- Monday market community stall
- Posters on noticeboards
- Twitter
- Facebook
- Survey Monkey
- QR Codes

The Town Council allocates a budget of £4,500 per year to support a diverse range of local organisations and charities in the form of grants.

The Town Council makes many awards each year, recognising a wide range of individuals and organisations from the community. These include:

- **Best kept allotments**
- **Most sensitive refurbishment of a building**
- **Townsperson of the Year**
- **Community Award for a local organisation**

The Town Council supports Epping in Bloom which brings all sections of the community together.

The Town Council operates and maintains a Changing Places toilet facility in the main Bakers Lane toilets.

Playground refurbishments are being designed to provide more inclusive equipment.

We work with our local schools in the following ways:

Primary school children designing the Mayor's Christmas Card

Secondary school children have completed surveys about our Monday Market and what is on offer

Working with the secondary school on making Epping Safer through the Safer Epping Group

Every house and business in Epping receives our town magazine Talk About Epping, where everyone is invited to submit material for inclusion.
